# GUIDED TOURS

After the arrival of our guests, we organized a few guided tours, to offer the possibility to explore the city. We went all across the town with different topics, like:

- Urban gardening projects
- Alternative living projects
- Urban art

# *Alternative living*

... for example

Do you know what occupied houses are?

Berlin has a lot of these houses.

We started at the K77, an occupied house which is a cultural project and have a small cinema inside.

The GUIDE Matthias is one of the housemembers who occupied it 25 years ago.

You`re  
always  
welcome!
